OSC Larson conducted reconnaissance for locations for air monitoring by EPA. Site locations were then confirmed with OSC James Johnson.

During the week of March 31, 2014, OSC Larson acquired access agreements for five locations:

Pattonsville Fire Station and Training facility
13900 St. Charles Rock Road
Bridgeton, Missouri

Pattonsville Fire Station #2
3365 McKelvey Road
Bridgeton, Missouri

Robertson Fire Station #2
3820 Taussig Road
Bridgeton, Missouri

St. Charles Fire Station
1550 S. Main Street
St. Charles, Missouri

Spanish Village Park
12827 Spanish Village Drive
Bridgeton, Missouri

A sixth location will be one with EPA monitoring equipment co-located with MDNR monitors. At this time MDNR is moving to a new location and EPA will co-locate once the location has been established.
